### Purpose of Change:

To enable MagnaChip and Lapis as dual source wafer fabrication sites

### Description of Change:

MagnaChip closed their 150 mm wafer CMOS fab in South Korea at the end of 2015. To ensure there is no disruption to supply, we have been working to transfer products from MagnaChip fab to Lapis fab in Japan. Beginning Apr 16<sup>th</sup>, 2018, the PE42441 shipped to customers will be supplied from either MagnaChip or Lapis wafers.

Ordering codes:  
 (Original) MagnaChip part number: PE42441A-Z, EK42441-01  
 (New) Lapis part number: PE42441B-Z, EK42441-02

For more information, please contact PCN@psemi.com.
